

Medaval rating of Blood Pressure Monitors recommended by the German medical professional association *Deutsche Hochdruckliga* (German Hypertension League)

Monitors are listed according to clinical validation.

Devices without evidence of validation include those without evidence of possible MDR equivalence to a validated device. Medaval will update devices where scientific proof of validation or MDR equivalence is provided.

Warning: Wrist monitor accuracy requires strict adherence to manufacturer instructions. If the monitor is not positioned correctly, the results can be very inaccurate.

Symbols:  Discontinued

★★ 2-Star Blood Pressure Monitors ★★

Beurer BM 28  Omron M500 (HEM-7321-D)

★ 1-Star Blood Pressure Monitors ★

Hartmann Tensoval Comfort Hartmann Tensoval Duo Control Omron M300 (HEM-7121-D)
